TRANSFORMING THE INDIGENOUS PEOPLES IN AFRICA
A Letter from Samuel Mwangi
Founder, PIPES INTERNATIONAL

When I look back at what God has done through our ministry in the last few years, I am lost for words. We have seen tremendous growth in our discipleship program, education, and transformation programs. We have been experiencing a season of growth and expansion in the last two years.

This year has been very fruitful. We have conducted two trips; one in Africa and one in Europe. God has continued to open doors so that we can make a more significant impact in the body of Christ worldwide. On Sunday, May 1, Samuel preached at the Maranatha Community Transformation Center in Amsterdam, Netherlands.

The Netherlands, once a Christian nation, is now a post-Christian nation and has legalized abortion, prostitution, and the use of Cannabis in "coffee shops." We need to pray for Europe as well as the United States.

I cannot thank our partners enough for the overwhelming love, prayers, and financial support enabling us to grow the organization and touch many more lives. Your unreserved giving is not in vain. There is a great reward both here on earth and in eternal life.

Your continued support significantly impacts lives. We encourage you to continue partnering with and supporting our mission (To make disciples and end poverty).
EVANGELISM IN AFRICA AMONG INDIGENOUS COMMUNITIES

The March-April Africa mission was a great success. The team ministered in four countries, namely; Kenya, Tanzania, Rwanda, and the Democratic Republic of Congo. They reached thousands of people with the gospel, and over 200 gave their lives to Christ.

Some highlights include; Multiple soccer tournaments targeting the youth, commissioning the school in Idjwi Island in Congo, launching French discipleship workbooks in Congo, the Kinyarwanda discipleship program in Rwanda, and the Maasai discipleship program in Tanzania. We made food donations among the pygmies and Maasai communities.

It was a joy to visit a Maasai church that meets under a tree and where members sit on logs.

We donated a total of 70 chairs in two churches and will continue to support the growth of the church among the indigenous Maasai communities.
REACHING THE MAASAI THROUGH THE DISCIPLESHIP PROGRAM

We thank God for the discipleship program, which is growing and increasing in Africa and Asia. The Word of God tells us to go and make disciples of all the nations.

Among the Maasai in Kenya and Tanzania, we have started nine bible studies working with the local churches. They are using the Discipleship workbooks translated into their own language. This helps the believers grow in faith and become rooted in the Word of God. The elderly people with no formal education are assisted by their children to study the Word of God. As a result, many people are equipped with the Word to become disciple-makers.

Matthew 28:18-20
We laid the foundation for the school on Idjwi Island in March 2022. The school will be built in phases, and the first phase of three classes is progressing well. There is a great need for an education facility on Idjwi Island, and by God's grace and your support, we will help these kids go to school. When these kids get an education, they have opportunities in the future to improve their lives and their community too. Your gift will go a long way in making this dream a reality.
When Anathole gave his life to Jesus in 2019, not many people believed that he would last for long as a Christian due to his dark past. Many people were skeptical that he could be a changed man. A few months after he got saved, PIPES presented him with a Bible. "This is the most important gift I have ever received," Anathole said. He immediately started reading the Bible chapter by chapter.

Missionary Jane, who worked for PIPES in Rwanda, met him regularly and encouraged him. After a while, without anyone's coercion, he shaved his long dreads. His lifestyle started to change. He would witness to his friends, whom he challenged to look at his life as a living testimony. Today, Anathole is a transformed man. He is a neat man who is part of the spiritual nourishment committee at Ruduha village.

When Samuel led a team in April 2022 to Ruduha, Rwanda, they were thrilled to see the development of his farm. He has a pig, rabbits, and a variety of crops and fruits. He is one of the best farmers in his village.
Anathole keeps rabbits and farms. He feeds his family and is in peace with God and his neighbors.
The Power of Prayer

Prayer is a powerful tool that we sometimes do not utilize as we should. The Bible encourages us to
A) pray always (Ephesians 8:18), B) pray persistently and not to give up (Luke 18: 1-8), C) to be
specific in our prayer (Mark 10: 46-52), D) and to pray in faith (Matthew 21:22, "And whatever things
you ask in prayer, believing, you will receive.")

"Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving,
let your requests be made known to God." Philippians 4:6. NKJV

PRAYER REQUESTS

1) Pray for PIPES Partners, Staff, and Program recipients that God will preserve them in good
health (spiritual and physical) and financial stability.

2) Pray for the growth of the Discipleship Program, where we equip Christians by God's Word
worldwide. Our discipleship workbook is now translated into eight local languages.

3) Pray for ongoing programs for 2022.
   a) Completion of the school in Idjwi Island, DR Congo.
   b) Jigger treatment in Burundi (May-June 2022)
   c) Establishing a Youth Center in Kenya.

4. Pray for continued financial provision for PIPES to support our discipleship programs, pastors,
   and missionaries, educate and feed the indigenous children and orphans, and support vulnerable
   families. Pray that we get enough funds to complete the Idjwi School.
